ABOUT

Hi, I'm Anuj Mishra, a passionate AI enthusiast from India. My passion for software lies in dreaming up ideas and making them come true with elegant interfaces. I take great care in the experience, architecture, and code quality of the things I build. I'm 20 years old and graduated with a degree in Integrated M.Tech. with CSE specialization in AIML VIT BHOPAL UNIVERSITY. I'm also an open-source enthusiast. I learned a lot from the open-source community and I love how collaboration and knowledge sharing happened through open-source.
